### COST OF CANYON ROAD BUILDING IS LIKELY TO BE \$60,000

#### Surveyor Reports to Board Possibilities In Baffling Situation

According to estimates made by County Surveyor J. L. McBride, it will cost from \$57,000 to \$83,500 to build a roadway along the edge of the Santa Ana river around Sulphur hill and the adjacent portions of the canyon where the river has taken out the highway.

To go over the ridge by a route recommended by McBride the cost for grading and paving will total \$78,590. To build and pave a road further back on the ridge will cost \$78,590.

This morning the Board of Supervisors concluded to employ a consulting engineer to act with the supervisors and the county surveyor in ascertaining which is the most feasible and practical route to be followed in building through the portion of the canyon where difficulties have been encountered. Chairman Talbert and one other supervisor to be selected by him are named as a committee to negotiate with an engineer and report at a meeting of the board on May 5.

This morning McBride submitted to the Board of Supervisors a full report of the situation in the canyon. Plans and profiles accompany the estimates. McBride's written report follows:

Santa Ana, April 29, 1918.

Hon. Board of Supervisors,

Orange County, Cal.

Gentlemen: I herewith submit for your consideration the cost of constructing the Santa Ana Canyon road at Sulphur Slide on three separate routes as follows:

First: The lower route which follows approximately the old location in the flood channel of the Santa Ana river. Under this heading I have submitted four separate propositions.

Second: The route along the side hill and above Sulphur Slide.

Third: The route over the ridge, the survey of which was made at your request.

First-Lower Route—A.  
Total length 9400 feet.  
1900 feet concrete pile trestle and rip rap ..... \$69,000.00  
Grading and culverts ..... 5,965.00  
Cost of paving ..... 17,472.00

The above estimate includes 600 lineal feet of concrete pile trestle at the northern end of the present break in the concrete wall. That portion of the wall at the southern end of the break to be protected with rock wings. The wings are so located that they will not divert the water from the headgate of the Santa Ana Valley Irrigation Co. 400 feet of concrete pile trestle with necessary rock wings to be constructed around the washout at the standard bluff.

Lower Route—B.  
Same as above except wood piling is used instead of concrete piles.  
Total length 9400 feet.  
1900 feet wooden pile trestle and rip rap ..... \$45,580.00  
Grading and culverts ..... 5,965.00  
Cost of paving ..... 17,472.00

Lower Route C.  
600 lineal feet of concrete trestle and rip rap ..... \$33,500.00  
Grading road around sandstone cliff, including culverts and connection with pavement ..... 50,695.00  
Cost of paving ..... 18,304.00

Lower Route D.  
Same as C except use wood piling instead of concrete ..... \$41,975.00  
Paving ..... 18,304.00

Second: The route along the side hill and above Sulphur Slide.  
Cost of grading ..... \$31,605.00  
Cost of paving ..... 26,347.00

Length of road 11,356 feet.  
Length of lower route 1956 feet.  
This is the route which you received bids on in 1916, the average of six different bids being \$23,283.00.

Third: The route over the ridge.  
Cost of grading ..... \$47,667.00

### Foiled in India Revolt Plan, Huns Propose Invasion

#### Germans Believe Anti-British Element Will Join Invading Army

SAN FRANCISCO, April 29.—Foiled in her plan to foment a revolt in India, Germany is now planning to invade that territory via the Caspian sea with an army of 100,000 men, according to Lieut. Col. I. Thord-Gray of the British army who was in San Francisco today. The Germans are working on the assumption that the anti-British element in India would join the invading army.

### NEW HUN UNITS REPLACE WORN-OUT TROOPS

#### Majority of German Soldiers Have Taken Part In Offensive

By WILLIAM PHILIP SIMMS  
(United Press Staff Correspondent)  
WITH THE BRITISH ARMIES IN FRANCE, April 28.—Practically seven-ninths of the fit German divisions on the west front have appeared in the fighting, either on the Somme or the Lys, since Hindenburg loosed his drive March 21.

About 35 fresh divisions (420,000 men) have been thrown against the allies on the northern front, and about 100 divisions (1,200,000 men) on the southern. As about twenty enemy divisions are unfit, out of the 205, (2,460,000 men) on the west front, it is plain the majority of the Germans already have shared in the offensive.

This explains the lulls in the fighting. The tired demand rest and those units which were slashed up undergo repairs, the gaps being filled with recruits from the field depots or the interior.

The 1919 class now appears to be in the line and the 1920 class is ready to be called up. One must not get the idea the divisions mentioned are definitely used up, although at least 135 of the 185 fit divisions have been in the fighting.

Hindenburg has been busy during April in grooming up and making fresh divisions from the battered ones. This is the meaning of the long quiet period on the southern battle front. Perhaps forty divisions which were used on the Somme are already able to return to the line.

### SIDONIO PAES ELECTED PORTUGAL'S PRESIDENT

LISBON, April 29.—Major Sidonio Paes has been elected president of Portugal by direct vote.

Paes was president of the cabinet and minister of war and foreign affairs under Dr. Bernardino Machado, whom he succeeds as president. Under the constitution a president of Portugal may serve only one term. Paes headed the revolution against the Costa government last December and was named president of the provisional government. He was at one time minister to Germany.

### BRITISH HOLD NEAR YPRES; FRENCH DEFENDING LOCRE; AMERICANS IN THICK OF IT

#### Violent Shelling Marks Resumption of Hun Offensive Toward Ypres and Channel Ports; Allies Withstand Shock of Attack; Germans Suffer Tremendous Losses

The German drive in Flanders has been resumed, after a lull of 24 hours. After a complete cessation of infantry operations on the entire battlefield, following the desperate fighting of Friday, Hindenburg struck northward against Ypres again Saturday afternoon.

The official statements of yesterday show the British still holding the enemy at Voormezele, two miles south of Ypres, while the French are successfully defending Locre.

The only progress made by the Germans was a voluntary retirement by the British east of Ypres, cited in yesterday's official statement of the German war office. This retirement evidently was made on a front of about four miles, extending from Langemark southward to Zollebeke and is only a slight recession from the former retirement along this line.

The French war office reports the resumption of German attacks, following heavy bombardments, in the Chemin des Dames, St. Mihiel and Laneville sectors. American troops hold positions in each of these sectors.

An unnamed French officer is quoted as declaring that General Foch is satisfied with the rate at which the Allies are killing Germans and is not yet ready to strike.

The officer said the Allies "have the boche where we want him, and there is no doubt we can keep him there a great deal longer than is healthy for him." Foch told Clemenceau as much as a month ago to "wait," the officer said.

A United Press dispatch from the British front bears out Foch's belief that Hindenburg is suffering tremendous losses. The dispatch said that the Germans already have used 155 of their 200 divisions on the west front, that the 1919 class already is in the line, and that the 1920 class is awaiting the call.

INFANTRY ATTACKS ON TEN-MILE FRONT  
LONDON, April 29.—The Germans were striking on the entire Flanders battle front today, Field Marshal Haig reported today.

From Meteren to Voormezele, a distance of more than ten miles, infantry attacks were developing under cover of a terrific bombardment of high explosive and gas shells.

The southern part of the Flanders theater from Givenchy to Pieppe forest, a ten-mile front, was also under heavy artillery fire.

At the same time the enemy began shelling the British lines on the ten-mile front between Lens and Arras, constituting about half of the sector separating the Flanders and Picardy battle fronts.

A heavy bombardment with high explosive and gas shells, was opened by the enemy this morning on the whole front from Meteren to Voormezele. Infantry attacks are developing.

"The hostile attack in the neighborhood of Locre, reported yesterday afternoon, was repulsed by rifle and machine gun fire," Haig reported.

"Hostile artillery is active from the Scarpe river to Lens. It is also active between Givenchy and the Pieppe forest.

"South of Albert and in the neighborhood of Neuville-Vitasse we conducted successful raids last night, taking prisoners and four machine guns.

"In the neighborhood of Festubert, by a successful enterprise last night, we retook a post which had been captured Friday night, together with fifty prisoners and three machine guns."

### GOVERNMENT SEEKS TO AVERT STRIKE OF TELEGRAPHERS

#### War Labor Board Hopes to Make Satisfactory Adjustment

SAN FRANCISCO, April 29.—Negotiations to avert a strike of telegraph operators were pending today following yesterday's meeting of the telegraphers.

Telegrams from Frank P. Walsh and former President Taft, both of the War Labor Board, were read at the meeting, saying the War Labor Board intended taking up the telegraphers' difficulties and expressed the hope of being able to make a satisfactory adjustment.

# BANK REPORTS ON LIBERTY LOAN SUBSCRIPTIONS. CITY NEAR GOAL

## SANTA ANA SHORT OF QUOTA ONLY \$21,300

### Boy Scouts Are Skirmishing Among Friends For Bond Applications

First National Bank....\$385,400  
Farmers & Merchants....181,450  
Orange County Trust....119,300  
California Nat'l Bank....56,650  
Total.....742,800

Bank gains in Liberty Loan sales show that \$12,850 in subscriptions were turned in between closing time Friday afternoon and Monday morning, and Santa Ana is just that much nearer her quota. The city needs \$21,300 to reach the quota, while the district needs only \$12,200 to hit over the dead line.

Boy Scouts will put in this week skirmishing among their friends for applications and it is estimated that they will produce between \$40,000 and \$50,000. The troops have no central head to which to report their returns. Troop No. 3, of the First Baptist church, up to noon today had reported subscriptions to scoutmaster Geo. Ash amounting to \$10,000.

The county it well over the top, the total being \$1,642,750, or \$222,750 to the good.

This is a long way from doubling the county quota, which it is hoped the county will do. While the campaign is not as active as it was the first week, workers are still busy in endeavors to get more subscriptions placed.

Here is a story that comes direct from France. It shows how the Sammie boys feel over there—of the confidence they have in their nation, yet a little doubt. Is every loyal American in this city and county doing what the Sammie said he was doing? Get it?

### EXECUTIVE BOARD APPROVES HONOR FLAG FOR COUNTY

Mr. R. L. Bisby, Chairman Liberty Loan Committee Orange Co., Santa Ana, Cal.

Dear Sir: The general executive board has today approved the awarding to your county of the official Honor Flag of the Third Liberty Loan.

The committee wishes to congratulate you and all who assisted you on the magnificent spirit of patriotism and unselfishness which has characterized your efforts in the Third Liberty Loan campaign. The committee hopes that the splendid spirit which has enabled your community to win this Honor Flag will be continued throughout the remaining days of the campaign, and that, before its close, you may secure one or more blue stars to be sewed upon the white field of the flag, each star signifying that your quota has been increased by 100 per cent.

Your patriotic response to the nation's call is a stimulus to all of us and we will watch with interest and best wishes for your further success, the daily reports from your district.

Yours very truly,  
**JAMES K. LYNCH,**  
Chairman General Executive Board, Twelfth District.

But there is one thing that keeps us up, that keeps us sure we are going to win; one thing that makes it all possible. That is that we know that our country is behind us—solid. Every one at home is doing as much as we are, women, old men, everyone. Is that so with you, also?"

"You bet it is," said Sammie. And he said it boldly.

But he couldn't help thinking about it afterward. Of course the people were behind them. He knew that was true.

But about them doing as much back home?

Are they buying Liberty Bonds?

Well, anyway, he wouldn't let the Polin know that he had any doubts.

## TWO SACKS OF BEER FOUND BURIED NEAR MEX WOMAN'S HOME

Sheriff Jackson and Under Sheriff Inman had to dig for the evidence last night after they had climbed over a fence and raided the home of Mrs. Camillo Moreno, a Mexican woman, near the Anaheim sugar factory.

The officers had heard that the woman was selling liquor quite freely, especially on Sunday nights. When the officers arrived last night they found the gate locked. They climbed the fence and found half a dozen men but only two bottles of beer. The house was searched, but no more beer was located. Inman got a shovel and began prodding the earth. He found a soft spot near the corner of the house, and very soon he had two sacks of bottled beer unearthed. Later a sack of empty bottles was found under the steps.

The woman, who has been under arrest before, was taken to jail.

## PLANS FOR MEETING WAR DEMANDS RED CROSS

FULLERTON, April 29.—At the meeting of the Liberty Loan committee the plan to organize Fullerton so as to take care of the war demands of the Red Cross, Y. M. C. A., Knights of Columbus, Y. W. C. A., W. C. T. U. and kindred organizations, was endorsed. The plan is to provide a fund to be contributed in monthly payments by the people of Fullerton, sufficiently large to meet their part of the expense of the war work. It is hoped that this will save needless expenditure of time and energy in making each drive as the call comes.

Tonight at 8 o'clock a meeting will be held at the high school study hall to consider the plan and, if expedient, to complete the organization for this cause.

## CITY NEWS IN BRIEF

C. W. Eden, son of Attorney Walter Eden of this city, arrived yesterday from Springfield, Ill., where he has been city editor of the Illinois State Register, to take a position here with the Orange County Title Company.

Yesterday afternoon one of the railroad coaches used by the Sells-Floto Circus caught fire while being fumigated. One end of the car was damaged considerably before the firemen put out the blaze.

Prof. and Mrs. I. W. Howarth are here upon a visit to Mr. and Mrs. Earl Morris and will remain until Thursday. Prof. Howarth was formerly principal of the high school and is now at the head of the extension work of the University of California. He is in the south on work connected with the course. He will speak at the meeting of the Friday Morning Club in Los Angeles at noon Friday, and Saturday will address the Merchants' Club of that city at noon on "Prussianism and Democracy."

J. A. Hankey is in receipt of a letter from his son, Howard Hankey, who is now at Paris, in which he says he is comfortably located, and where he may remain for a year. He has met a number of former students at Pomona since going to France. For the information of friends who may want to write, his address is as follows: Albert H. Hankey, Second Lieutenant, A. S. R. C., Air Service, A. P. O. 702, American Expeditionary Forces. Although his father and other relatives have written him a number of times he has not received any letters since his arrival in France.

F. W. Slabaugh is building a five-room residence at 322 South Sycamore to cost \$1550, with Charles Leake as contractor.

Mrs. Dottie Stephenson of 523 North Baker has reported to the police department that a Peeping Tom visited in her neighborhood Friday night.

W. L. Russell of Garden Grove has brought to the Chamber of Commerce a Valencia orange measuring 15 1/2 by 1 1/2 inches and weighing one and a half pounds.

### AMUSEMENTS

"Without Honor," at Temple

Roy Hanford found himself on the verge of revolt in the Triangle play, "Without Honor," at the Temple Theater tonight. His entire life had been mapped out for him by the iron will of his father, Deacon Hanford, whose eyes were dimmed to all human weaknesses and who saw in the Good Book only God's wrath.

But Roy lacked the strength to act and had not been spurred on by the taunts of his wife, also the woman of his father's choice, he might have dragged out his days in Hanford town, without one glimpse of the warmth of human companionship and love. What this glimpse of happiness cost another woman is the crux of the gripping story which makes this picture an exceptionally vivid screen drama. On the same bill there is shown the first pictures of Mary Pickford, Charlie Chaplin, and "Doug" Fairbanks selling Third Liberty Bonds on Wall Street. Also a Keystone comedy, latest Gaumont News views and vaudeville.

## HUNDREDS FAILING TO PAY, TAXES ARE TO BE DELINQUENT

The expected rush at the office of the tax collector this morning did not materialize. It is possible that it just happened that a large proportion of those who waited until today to pay, selected the afternoon for the function. If so, the tax collector's office will resemble a bargain counter rush before closing time this afternoon.

For a last day, the number of visitors were few. There are hundreds of second installment taxes not yet paid, unless hundreds have today made out checks and sent them in by mail.

"I want to thank you for putting the notice in the paper, showing that taxes would be delinquent," was heard many times at the office of Tax Collector Lamb this morning. Certainly Lamb has used every reasonable means of calling the situation to the attention of forgetful ones. Taxes go delinquent at 6 p. m. this evening. Mail put into the post office today, even though it is not opened by the tax collector until tomorrow or later, as the busy clerks are able to get to it, will save many pieces of property from going delinquent.

## Redman Says That Man He Was With Said He Owned the Lima Beans

This morning L. Redman of Los Angeles was arraigned in Justice Cox's court and his preliminary examination was set for May 2 at 10 a. m. His bail was fixed at \$1000 or \$500 cash. Relative present said they would try to get sureties.

Redman is charged with burglarizing M. G. Mastiss barn on the San Joaquin ranch. Mrs. Mastiss said that he and a man who is said by Redman to be George Olsten of Los Angeles had loaded on eight or ten sacks of lima beans when she stopped them at the point of a rifle. Olsten escaped. Redman says that Olsten told him that he owned the beans, and Redman was taking them from him.

## COST OF CANYON IS ESTIMATED IN REPORT

(CONTINUED FROM PAGE ONE)

Cost of paving ..... \$3,993.00

Length of road 12,876 feet.

Length over lower route 3476 feet.

Length over route 2, 1520 feet.

The upper route is not practical on a 6 per cent grade. In order to get over on a 6 per cent grade it will be necessary to make the 75 foot fill across the canyon or to construct a 250 foot trestle 75 feet above the bottom of the canyon and it will require a 48 foot cut on the ridge at a point where it will be necessary to construct the road on a 50 foot radius curve.

I hereby recommend the construction of Route 2 or Route 1, Section A. I am recommending a concrete pile trestle on portions of the lower route for the following reasons:

First: The concrete piles can be set by use of a sand pump and the required penetration into the gravel formation can be obtained.

Second: This construction will not interfere with the intake of the Santa Ana Valley Irrigation Company.

Third: The sliding hill will slide into the river under the trestle and will not affect the same.

Fourth: The plank floor of the trestle can be treated with oil and screening surfacing and will give a good smooth roadway.

I do not advise at this time, with the information I have at hand, disturbing the face of the hill at the point above the wall. At first glance and without investigation it appears that this point is solid rock. However, with the means I had at hand to make test pits, I find that this is not entirely the case. I find that part of this material is solid sandstone, which will disintegrate very readily when exposed to the air or water, and part of it is cliff sulphur similar to the main sulphur hill.

I herewith submit detail plan and profiles of all routes mentioned above.

Very respectfully,  
J. L. McBride,  
County Surveyor.

# Buy Liberty Bonds!

To have withheld money from George Washington might have prevented the founding of this nation upon the cornerstone of Liberty.

To have withheld money from Lincoln might have dashed the Republic upon the rocks and lost the Liberty so dearly bought.

To withhold money now would not only endanger this great, glorious country but might lose liberty for a whole world.

## ANTELOPE CHASE THROUGH FIELD OF WAVING POPPIES

Santa Ana People Have Novel Experience on a Sunday Trip

Chasing antelopes in an automobile through fields of California poppies is not an everyday experience and pleasure, but it is a pleasure Linn L. Shaw and members of his family enjoyed in the Antelope Valley yesterday.

Shaw has some rather unusual experiences almost every time he visits his ranch in the valley, and what were novelties at first now are most commonplace with him.

Shaw declares that there are twenty-five square miles of wild poppies in the immediate vicinity of his ranch. The sight is one of the prettiest he has ever seen and the waving fields of California wild flowers at a distance look like a big fire.

Yesterday Shaw got his second glimpse of antelopes. In an automobile, he and his party cut across the fields of poppies in an effort to get near to the animals. Driving through the heavy growth they scared up a half-grown antelope and desisted from the chase of the older animals for fear of separating the baby antelope from its mother.

Other wild flowers grow among the poppies, adding to the general beauty of the scene.

Shaw brought home bouquets of the various flowers found and has them on display in one of the windows of the Shaw and Russell real estate office at the corner of Third and Sycamore.

## GAS HEARING TO BE HELD HERE ON FRIDAY

Decision on Petition Will Be Made In About Two Months

The railroad commission will be held here next Friday and a session in Los Angeles the following day will conclude the hearing in Southern California on the petition of the gas company for permission to increase its rates, with possibility of a decision being announced about two months later.

Commissioners Thelan and Loveland, who are conducting the hearing, held sessions in Long Beach Saturday.

Among the witnesses for Long Beach was O. R. Cline, city gas inspector, who testified that the cost of delivering gas to the city limits is 10 cents a thousand feet. He expressed the opinion that lowered gas rates would increase the consumption of gas. J. M. Berkeley, gas expert, also testified for Long Beach.

City Attorney G. L. Hoodenpyl conducted the city case, while the gas company was represented by Le Roy Edwards, chief counsel, and Attorney L. N. Wheaton, former mayor of Long Beach.

Among those from other parts of Southern California present were Victor McLucas, representing Santa Monica; G. H. Scott of Santa Ana, Henry E. Carter of Wilmington, K. N. Ham, Jr. of Sierra Madre and Engineer Howell of the Los Angeles board of public utilities.

## MARTIN V. BIGGS IS GLAD HE'S IN NAVY

Likes the Work and Anxious to Get on Ocean to Fight Enemy

Martin V. Biggs, formerly ticket agent at the Santa Fe station here, has written J. S. Perry in which he expresses his satisfaction in having entered the navy. The letter was written at U. S. Naval Training Station, De Camp, Co. C-3, San Francisco.

"I have started out to be a regular sailor boy. This is some place, and I am certainly stuck on it. I am in De Camp; stay here eighteen days more and then perhaps I get on one of those boats that make the Germans like. Anyhow, I hope they put me on something so I can get my hair mussed up."

Here are a few notes from Biggs' letter:

"Got vaccinated last Thursday; did not take."

"Say, we sure get fine chow. We're going to have spring chicken for dinner. Wow!"

"You ought to see me in my sailor clothes—sure have some shape. Fit nice and tight."

## PERSONAL AND SOCIAL NEWS NOTES FROM ORANGE CITY

ORANGE, April 29.—Miss Lillie Hollinshead, who will be a May bride, was the inspiration for a miscellaneous shower given at the Alfred Leech home on South Orange street. Mrs. Leech, the hostess, was assisted in entertaining her guests by her daughters, Misses Ruth and Grace Leech.

Smilax, roses, cupid and hearts were artistically used in decorating the rooms. At the close of a most enjoyable afternoon spent with games and conversation, dainty refreshments were served.

Miss Hollinshead was the recipient of many pretty and useful gifts which were presented to her in a huge basket. She was required to guess the contents of each package.

All the guests excepting Mrs. Carl Young, Mrs. M. E. Livingston and Mrs. Warren are members of the Tustin Street Neighborhood Club. Members from the club who were present were Mesdames Ryan, Smiley, Cleveland, Putnam, Shriver, Dewey, Dennis, Crimp and the hostess.

Mrs. H. Uphall was hostess at a delightful birthday party given in honor of her sister, Miss Cora Frick's twelfth anniversary.

The rooms were prettily decorated with flags and red roses, the same patriotic color motif being used in decorating the dining room table, where baskets filled with candies were at each plate and in the center of the table was a huge white birthday cake on which twelve red candles were lighted.

The guests included the Misses Dorothy Frick, Hilda Frick, Dora Ruelle, Helen Ruelle, Edna Bandick, Margaret Walldow, Evelyn Danner, the guest of honor and Walter Miller, Alfred Bandick, Nelson Struck, Lawrence Frick and Alfred Frick.

Jesse Crawshaw, who is spending a ten-day furlough here, has just returned from the officers' training camp, where he earned the rank of second lieutenant. His commission has not yet been formally given him.

## New Plaid Gingham

Attractive in Design  
Rich in Coloring  
Priced 30c and 35c

—Our Gingham trade this Spring has been remarkable, for Gingham has been proving immensely popular.

—Today we are featuring the popular plaids in two splendid qualities, made of good AMERICAN dyes, fast color, and of weights just right for pretty dresses that you want for service.

—A 27 inch, of fine quality, at 30c; and a 32 inch of fine quality at 35c.

### —New Plaids at 30c

—New "Red Seal" and "A. F. C." gingham, quality that is known the country over as standard of value, gingham that will wash and wear and look well till worn out.

—The new plaids come in all the wanted colors and combinations, big plaids and small, and broken checks. 27 inches wide, at 30c per yard.

### —New Plaids at 35c

—A 32 inch Gingham of fine quality, and proven worth. The patterns are clean, the colorings bright, assuring good washing qualities.

—We show striking color combinations, in blues, greens, tans, lavender, pinks, in broken plaids and block plaids.

—Economical, at 35c per yard.

## Other New Things in Wash Goods

### Dainty New Voiles, 25c, 35c, 40c.

—In such a variety of colorings and patterns—with daintiness or boldness of concept, and originality of design.

—Colored grounds are good this Spring, and we show some beautifully printed Voiles in the darker grounds for street and afternoon wear, in almost any shade one would want, and in patterns to suit your own taste for daintiness or the more striking.

—These voiles come in plain or striped material, the striped being especially effective. Yard wide, and priced according to quality at 25c, 35c and 40c.

### Half Silk Crepes, 50c, 65c, and 75c.

—For a dainty party dress, inexpensive, we show few materials the equal of these half silk crepes.

—There are plain colors, in the soft pastel shades, or the darker colorings; colored grounds with excellently printed designs, white grounds with regular flower gardens painted on them, or plain colors in heavier weights, self figured.

—A great showing, at 50c to 75c per yard.

### Exclusive Novelties, \$1.00 and \$1.25.

—Cotton wash goods at \$1.25 a yard! Yes, and you should see them, before making any remarks about the price.

—The richest patterns in the finest voiles, some of them beautifully satin striped, as handsome a material for the price as any all-silk you ever saw. Shown both in the lighter colorings, and the darker shades for street wear.

—Only a few patterns of each, and in small cuts, so that these novelties are exclusive. Yard wide, and priced at \$1.00 and \$1.25 per yard.

### Handsome New Plaids, 50c to 75c.

—Woven plaids, of the most beautiful shadings, soft pastel shades or the bolder, colorings, and in such a variety!

—From two to eight inch plaids are shown, some in colored grounds with a bit of embroidery, some in white grounds, or corded effects—of the best quality for long wearing, medium priced material.

—We have seldom shown such an extensive range of the better qualities. Priced 50c to 75c per yard.

## CITRUS PRUNING DEMONSTRATED IN ORCHARD

La Habra Farm Center Holds Interesting Meeting Saturday Afternoon

A fine meeting of the La Habra Farm Center was held on Saturday afternoon at the school house where an address was made by the Farm Advisor upon the subject of "Increase of Pork Production." The farmers present responded to this in excellent fashion. A great many of them gave in pledges to procure and grow two hogs more than they have grown before, and a source of supply, quite near them, was indicated by the Farm Advisor.

Dr. Reed, the expert from Riverside Citrus Station, then discussed the subject of pruning in a general way, after which they adjourned to the lemon and orange orchards for the pruning demonstration. Very great interest was shown in the subject and a good many of the orchardists present showed an

excellent knowledge of methods of pruning citrus trees. Dr. Reed said that as yet no one knew positively the best way to prune citrus trees, that they were experimenting at the Citrus Station at Riverside but it would be several years before they could determine the best methods, but in the meantime there were certain general methods that were so clearly correct that their application should be generally followed.

There were fifty farmers present. At the next meeting a Farm Home Department will be organized and the Farm Center be made a community meeting, which the wives and daughters will be expected to attend as well as the men.

At Capistrano

The Capistrano Farm Center held its first meeting on Thursday night at which time it was organized by electing John Foster, chairman; H. S. Barnes, secretary, and Mr. R. B. Cook, representative director to the County Farm Bureau.

There was a very good attendance and very excellent interest shown at the meeting. Mr. Woodrow, president of the County Farm Bureau, was present and addressed them upon the nature of the organization, and the Farm Advisor, Mr. Sprague, also spoke upon the work open before them. Several persons, not yet members, signified their desire to become members of the center. A very good meeting is also expected the following month.

Greenville Tonight

A meeting of the Greenville Farm Center will be held tonight at the school house at 8 o'clock.

## GRAY NOW MEMBER OF LEWIS MACHINE GUN CREW AT FRONT

Big Offensive By the Germans Interrupted Basketball Games

Jay Gray of Tustin, son of J. C. Gray, is now a member of a Lewis machine gun company, with the Canadians. Evidently, from the letter just received by his sister, Mrs. G. B. McDonough, the big offensive in March interrupted a series of basketball games in which he was engaged. Up to the time of writing, March 31, Gray's company had not been engaged in the big battle. He writes as follows:

"A Fritz plane just flew overhead, and our anti-aircraft guns shot rings all around him."

"I had a swell time on rest. We played all kinds of games, football, baseball, basketball, etc. I played center on our platoon basketball team and we won the first two games of our series when the big battle caused us to stand to."

"I am in the best of health and good spirits, and outside of a couple of stiff marches we have had an easy time."

"I got tired of being a bomber, so I joined a Lewis gun section and am No. 2 on the gun. In action I place the magazines in the gun and in case No. 1 becomes injured I take over the gun and fire it, while No. 3 becomes No. 2, etc. Eight men in a full crew."

## O'REAR FAVORS UNION OF TWO CHURCHES

Will Use His Influence at National Conference at Atlanta, Ga.

Rev. A. T. O'Rear, pastor of Spurgeon Memorial church, left today noon for Atlanta, Ga., where he will attend a joint conference of the First Methodist Church, South, and the First Methodist Episcopal church. The conference will be a momentous one, for the matter of consolidating the two branches of Methodism will come up for discussion and probably for decision.

Rev. O'Rear is strongly in favor of the consolidation, and while he will have no vote on the matter, he will use his influence in behalf of the union. He has many close friends among the delegates who will be in attendance and his advice to them will be to support the movement.

Rev. O'Rear also is in favor of eliminating the present rule of his church of limiting the time of a pastor to four years at one point, and will endeavor to have this feature eliminated.

Rev. O'Rear will also visit certain points through the south that are dear to his heart. His old home, and the scene of his early labors and school life will be visited by him. He will be gone about five weeks, and his pulpit will be supplied with able speakers until his return.

## HAPPY WORKERS IN PLEASANT MEETING

Two Social Events at Westminster; M. E. Ladies Aid Society Met

WESTMINSTER, April 26.—The Happy Workers were very pleasantly entertained at the spacious home of Mrs. J. O. Pyle on Wednesday. Red Cross and French relief work occupied the day. At the business session plans were made for serving lunch at the Sunday school convention to be held May 10 and 11 at the Presbyterian church, of which further notice will be given later.

The heads of committees were appointed a committee of arrangements for the lunch.

Over forty were present and enjoyed a bountiful lunch consisting of roast pork, potato salad, olives, jelly, bread and butter, coffee and lemon pie.

M. E. Ladies' Aid

The Ladies' Aid Society of the Methodist church held its regular monthly meeting at the home of Mrs. Benson last week on Thursday.

The day was spent in Red Cross work. A delightful dinner was served of meat loaf, scalloped potatoes, salad, bread and butter, coffee and lemon pie.

## PAY NOW—DON'T WAIT

Please, Mr. Citizen, don't put off the payment of your income tax until the last moment.

That is not good business, and it certainly isn't good patriotism. For you MIGHT forget at the last moment and be up against a heavy penalty. And the government needs the money NOW.

Everybody asks: "How can I help?" Sometimes there is more asking than doing.

Suppose YOU needed money, and many people, owing you, went around asking: "How can I help?"

You would reply: "You can help very much by paying me as quickly as possible what you owe me."

That, as the Literary Digest truly suggests, is what the United States is saying now to the people of the United States.

Five hundred thousand Americans last year paid a tax upon their income. This year SIX MILLION Americans, says the Literary Digest, will be called upon to find out for the first time how it feels to pay this new tax.

The money has got to be paid, the man who wants to be a good citizen will pay it promptly, not wait until the last call, until he is compelled to pay.

The Literary Digest says:

"Some may call this a burden, but there are those, and they are legion, who will accept this new tax as a new opportunity for sacrifice and for service, a rare occasion for showing the government that its citizens recognize the great purposes of the war and that they will back the government in this supreme enterprise to their last dollar."

Make your payment PROMPTLY.

The more money this country has, the more promptly it gets it, the better it can fight.

And the better the country fights, the quicker the victory will be won.

And the more quickly the victory is won, the more quickly the tax will be cut down on big incomes, and cut off entirely on small incomes.

Prompt payment of income tax this year means SAYING OF INCOME TAX IN FUTURE YEARS.

## DOPE

It is agreed that a great deal of good has resulted from the Harrison law regarding the traffic in habit-forming drugs, which went into effect three years ago. But it is also agreed that the measure is not a complete remedy.

It has enabled the government to restrict "dope" traffic somewhat. It has made it harder for people to get drugs, and has thus tended to prevent the further spread of drug habits. But opium, morphine, heroin, cocaine, etc., are still consumed in this country in quantities far beyond all legitimate needs. The drugs are still too accessible to the general public. Doctors and druggists are still too lax in their distribution. There is a vast "underground" traffic that ought to be curbed. And too little is being done along practical, curative lines to free victims from their bondage.

Experts say it is desirable that the rules laid down for doctors, dentists, veterinarians, druggists or other legitimate dispensers of these dangerous drugs be made more strict. That could be done by federal enactment. Still more important, perhaps, is the demand for a uniform state law, dove-tailing in with the federal law and utilizing local police powers to restrict the sale and use of the drugs. The problem will not be solved as long as any state neglects this duty.

There is a special reason why such measures should be undertaken promptly. The country is rapidly going "dry." Within a year prohibition may be in force throughout the United States, through ratification of the federal amendment. It is a familiar fact that as liquor goes out, "dope" is likely to come in. Alcohol habitues, deprived of their drink, turn to drugs. Therefore as prohibition of the liquor traffic proceeds, effective prohibition of the dope traffic must keep pace with it. Otherwise we shall have a worse evil than the one we are eliminating.

## THE AIR RAID ROBE

The fashionable Paris tailor—assuming that there is such a thing these days—has put a little joy into air raids. He has designed the air raid robe.

The necessity for such a costume is apparent. Sleepers aroused in the night by the signal of warning and ordered to the cellars must have something to wear that slips easily and quickly over their sleeping garments. It must be a voluminous robe, and for the ladies there must be many pockets. The pockets, of course, are to carry valuables. There are keys, a watch, a mirror, a pocket flash, chocolate bars, etc., which are indispensable to a sudden descent from one's own room to a crowded bomb-proof cellar in the middle of the night.

The robe will have a hood as well as pockets, and its material will be something not too delicate to survive the coal dust that might be encountered. Copper color has been given the preference, 'tis said, because it is neither too dark nor too light for utility, and its beauty would only be enhanced by soot or dust.

Paris isn't holding up its war work to indulge in fashionable creations of any sort. But still, if an air raid robe of some kind is necessary, it's perfectly proper to let the imagination play with the idea, and to derive a little artistic pleasure from it.

## THE SCHWAB POLICY

Charles M. Schwab, now in charge of our big ship-building job, isn't trying to discredit his predecessors. He isn't criticizing anybody. He has spoken only praise for firms and workmen. Where he can't praise, he says nothing.

"I believe," he says, "that a leader's chief province is to get enthusiasm, optimism and push into the people working for him. After all, a man can only help. The great burden rests on the people in the yards—the ones who do the work. Much good can be accomplished by

encouraging rather than criticizing. A real man can do his best work under praise. Approval and encouragement is what is needed from the public at large for the success of this great undertaking."

This sounds like building ships. And it's a principle that might well be applied to every phase of our war preparations. For months nearly everybody has been finding fault with nearly everything, and it hasn't done much good. Why not follow Mr. Schwab's advice, for a change, and all stop knocking, and start boosting?

## A MOUND OF MALEDICTION

Newspaper comment upon the death of Senator Stone has been almost uniformly harsh. The old motto, De mortuis nil nisi bonum, seems to have been overlooked as editors have written upon his career. Time was when death would have cloaked all his imperfections, when his political foes would have vied with his admirers in speaking well of him—after he had gone beyond the sound of words. But now the standards of wartime seem to have overridden the complacencies of peace—and men have spoken their minds as freely of Senator Stone dead and unable to defend himself as they ever did when he was alive and a fighting character. It is one of the side-lights of the war.

"Come out, you American dogs, and fight!" yelled a German raiding party. And when the scrap ended, there were 20 Germans left out of 200. Impoliteness doesn't pay any better in the trenches than anywhere else.

The German general staff is scandalized at the way the British and French have burnt some of the lost villages in their retreat. Naturally. If there's any burning to be done, the Germans want to do it themselves.

A member of the British parliament wants to turn over Ireland, with its governmental problems, to the United States. We're willing to do a good deal to oblige a faithful ally. But there are limits.

## Dig Up For Our Boys!

Some old geezers are strong on prayers for "The brave boys in the trenches and on our battleships," but their names haven't appeared on any Liberty Bond subscription list yet.

Prayers of that kind don't get as high as the gas jet. The country is full of rocking chair patriots who loaf around and talk loud and tell the boys they ought to go over and fight, while they sit around and argue and tell how Pershing, Haig and Petain and Foch ought to do this, that and the other thing, but you try to get them to dig up some coin to help feed and care for the boys who are doing the fighting, and you'd think they were handcuffed, they can't get their hands into their pockets.

A lot of fellows are saying these days: "Well, I'm too old to go." "I'm above draft age." "I wish I could get into it." You can get into it.

You can do your bit right here. You can help feed, and equip, and arm the boys who have gone over and are going over to fight for you.

Put every dollar you can rake and scrape into Liberty Bonds to help the boys win this war.

The boys who are fighting this war, and the men and women who are paying their way while they are doing it, are together saving the world for Liberty and Justice.

And when the war is over, the boys who fought and the men and women who kept them at the front are going to run this country.

Why, they are going to elect the next five or six presidents of this country.

For twenty years they will elect every president and senator and congressman and governor and legislator and sheriff and mayor and alderman.

The men who saved this country are going to fill every office from justice of the peace to president.

And where will you be then if you are a shirker now? You won't be able to dodge behind the excuse that you were too old, or too near sighted, or the head of a family, or knock kneed, or flat-footed, spavined or got the string-halt.

If you can't fight you can do the next best thing—dig up for the boys who are fighting.

Life in America won't be worth living for the man or woman who didn't buy U. S. government bonds of the Third Liberty Loan.

## Bud Flivver's Observations

\*\*\* Yesterday forenoon—I met Sid Noster—And he told me—He had enlisted—In the aviation service—

\*\*\* And he said—He had borrowed—Bill Matthews' aeroplane—And would make a flight—In the afternoon—On the Goshman farm—

\*\*\* And he wanted—I should come out—And see him fly—And he would—Give me a ride—So I could write—A swell story about it—

\*\*\* And a lot of us—Went out and watched him—And he rose like a bird—And circled around—And cut some didos—And everything—

\*\*\* And when he came down—He told me to hop in—And I did—And the thing—Started off across the field—

\*\*\* And pretty soon—The earth began—To sink away—Below us—And I asked Sid—What was the matter—

\*\*\* And he said—"We are going up now"—And right away—I began to wish—I had stayed down—

\*\*\* And all of a sudden—He headed the thing—Straight for the sun—And I said—"Wait a minute, Sid—I lost my stomach—Or something"—

\*\*\* And he said—"All right, we will—Go down and get it"—And he pointed the thing—Straight down—For a while—

\*\*\* And I clutched the seat—And felt sorry—Because I hadn't—Promised my wife—The new phonograph record—She wanted—

\*\*\* And I saw a town—And I asked him—Was that home—And he said—"No, that's Aberdeen"—

\*\*\* And Aberdeen—Is fifty miles—Away from home—On a short cut—And it was coming—Straight at us—

\*\*\* And I told Sid—I wanted to see a man—In Aberdeen—And if he—Would stop the boat—And let me out—I would go home—On the train—

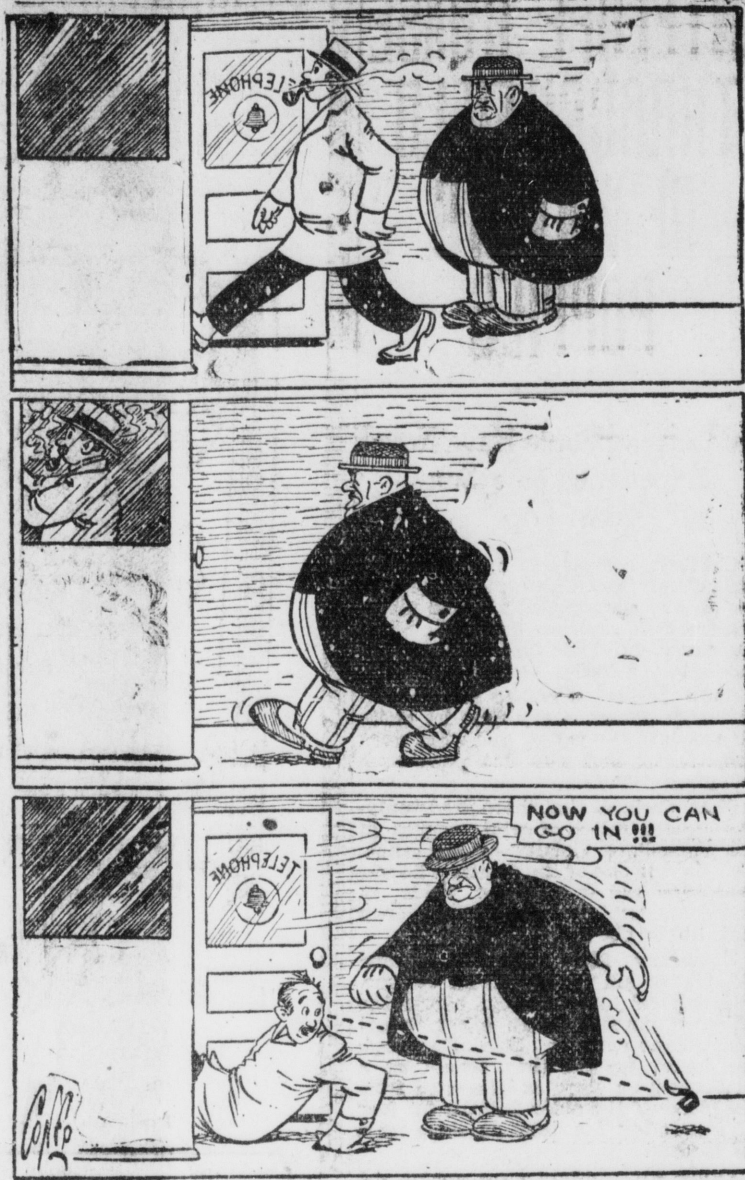

\*\*\* And he said—"The thing was—Going so swell—He didn't like to stop—And we could get home—So much quicker—This way—"

\*\*\* And he played tag—With the birds—And hop-skip-and-jump—For half an hour—And we landed—Where we started—

\*\*\* And the crowd asked me—How did I like it—And I told them—it was as pleasant—As dreaming about—Falling off a building—

\*\*\* And when my nerves—Got settled—If they ever do—I'll write a story about it—By Bud.

# THE THEATRES

## A CARD

# To the Public

With the ending of last night's performance at Clune's Theater the same will remain dark for twelve days, when we will reopen with five or six numbers of the best and up-to-date vaudeville attractions ever brought to Santa Ana. Due notice will be given through the Register of the opening night. In the meantime, our negotiations which are now under way for the reopening of Clune's Theater as a Saturday and Sunday vaudeville house, and other important arrangements are being advanced for high class features and stock company of note during week nights.

The West End Theater will be

# The Picture House

of Santa Ana. All of the Paramount, Arcraft, Griffith productions heretofore shown at Clune's will now be presented at the West End Theater in addition to the Paralta and Metro, representing the greatest artists in the picture world, of the following:

Mary Pickford, Marguerite Clark, Geraldine Farrar, Douglas Fairbanks, Wm. S. Hart, Billie Burke, Elsie Ferguson, Geo. M. Cohan, Lina Cavalieri, Chas. Ray, Dorothy Dalton, Pauline Frederick, Sessue Hayakawa, Geo. Beban, Jack Pickford, Louise Huff, Vivian Martin, Wallace Reid, Ann Pennington, Edith Bennett, Harold Lockwood, Viola Dana, Francis X. Bushman, Beverly Bayne, Mme. Nazimova, Bessie Barriscale, Henry B. Walthall, J. Warren Kerrigan, Louise Glaum, Edith Story, and other famous stars; also all productions produced under the direction of these famous directors: D. W. Griffith, Cecil B. DeMille, Thos. H. Ince, and J. Stewart Blackton; also the Fatty Arbuckle Paramount comedy and the Mack Sennett Paramount comedies.

There is no one house in Southern California who can boast of being able to give the array of talent to their patrons as the West End Theater of Santa Ana will now do. You will have no occasion from now on to hesitate whenever you want to enjoy an evening entertainment to come to the West End Theater, for you will either see a Paramount, an Arcraft, Metro, or a Paralta picture, the very best and cleanest in the United States.

The prices of admission will remain as they are now.

In our new departure at Clune's, hereafter to be known as the Saturday and Sunday Vaudeville House, we promise you an entertainment which will come very near duplicating the Orpheum Circuit. We have not considered any expense in doing so, for we are quite sure that the theater-going people of Santa Ana and Orange county want the best to be had for the money.

The program for Clune's Saturday and Sunday vaudeville will comprise five or six numbers in vaudeville, a feature comedy, and the latest News Pictorial from over there.

The admission price: Adults, 30c; children under 12 years, 10c.

## SUNDAY SCHOOL PICNIC

South Methodist Young Folks  
Have Merry Time In  
County Park

The annual Sunday school picnic of Spurgeon M. E. Church, South, was held at Orange county park Saturday and was well attended, three hundred people being present. Boats, burros and ball games were feature events of the day's outing.

A truck and numerous automobiles were waiting at the church at the stroke of 8 o'clock, and these were soon filled with jocular kids and older folks and whirled away to the real beauty spot of Orange county. The natural scenery at the park is wonderful now, the late rains having made the vegetation and shrubbery verdant and full of life.

In the morning the young men and women chose ball teams and played a game before luncheon. Rev. A. T. O'Rear was umpire and at times was almost "mobbed" for his crooked decisions. In the big game of the afternoon, he was relegated to the ranks of the players, while District Attorney West dared the task of calling the decisions.

It seems that Attorney West retains some of the chivalry of his native Kentucky, for the women won the ball game by a good margin. It is well to refrain from giving the score, because it might cause humiliation to Capt. George Wright and his squad. Miss Morris, captain of the ladies' team, led her players to victory.

The majority of the younger folks, who had played a game in the morning, climbed Fern hill after the sumptuous noon repast, but found the going slow because of "full stomachs." Fern hill is covered with a luxuriant growth of ferns of all varieties at present, and makes a fine climb.

Several other picnic parties at the park attested to its popularity as a pleasure resort, and some Boy Scout troops were camping in the vicinity, enjoying a well deserved rest after their valiant labors for the Liberty Loan.

As the sun approached the horizon, heralding the "end of a perfect day," the crowd gaily and wearily returned to their homes in town, much refreshed by a day spent amid nature and her environs.

## FAMILY DINNER

Mr. and Mrs. W. D. Ranney  
Hosts at Reunion, Sisters  
Come, Brother Leaves

In honor of the coming of the host's two sisters, Misses Alice and Susie Ranney from Tucson, Ariz., to spend the summer and the departure of J. A. Ranney and family for Hartford to make their home, Mr. and Mrs. W. D. Ranney gave a very enjoyable family dinner on Saturday at noon at their home on South Flower street.

The table was prettily decorated with roses and a bounteous menu was attractively served. Covers were laid for fourteen. The afternoon was spent with conversation.

## EBELL ELECTS

Pleasing Program Given at  
Well Attended Meeting on  
Saturday Afternoon

The following list of officers have been chosen to guide Ebells' destinies through the coming year: President, Mrs. W. L. Grubb; first vice-president, Mrs. J. D. Wilson; second vice-president, Mrs. J. E. Gowan; treasurer, Mrs. E. B. Smith; curator, Mrs. C. A. Gustlin; corresponding secretary, Mrs. T. E. Stephenson; recording secretary, Miss Mabel McFadden. The board of directors are: Messdames R. R. Miles, P. L. Tople, A. M. Gardner, A. J. Crookshank, W. L. Deimling, Miss Lula Minter.

Saturday afternoon's program was a very pleasing one. Mrs. Roy Powell Rice, district music chairman, was present, and with Mrs. A. J. Padgham at the piano, very charmingly sang two groups of California songs.

Mrs. Florence Dodson Scheneman of Los Angeles, a daughter of the old Sepulveda family, appeared in the beautiful costume of her grandmother, one of the gracious senoras of California's earlier days, and gave a most interesting lecture on the "Spanish Senora." Her cousin, Miss Sepulveda, gave two beautiful Spanish dances. Miss Sepulveda is a beautiful type of Spanish senorita, and her dancing was a delight.

Reports of the California Federated Women's Clubs convention at Oakland were given by Mrs. J. D. Wilson and by Mrs. C. F. Crose. The report of the county confederation's annual meeting was read by Mrs. J. E. Gowan.

Mrs. Nealley's report for the Day Nursery committee showed a most satisfactory state of affairs. Mrs. Nealley asked, on behalf of the Day Nursery, that people now trimming up their palm trees send the branches to the nursery, where they will be used on the summer house. A load of sand would also be a welcome gift, and children's and infants' clothing is always needed.

Mrs. J. W. Newell, president of the Placentia Round Table and president-elect of the county federation, was present and had a friendly word of greeting for Ebells.

## Interesting Topic

The Woman's Club will meet tomorrow afternoon with Mrs. C. H. Stanley, 1135 West First street. The subject will be "Mother's Work Basket." The roll call will be an exhibit of treasures.

Honored By Hospital Nurses  
As She Leaves

On the Santa Ana hospital grounds Saturday evening was a scene of merriment, when the student nurses of that institution royally and charmingly entertained in honor of Miss Katherine Rutherford, their superintendent, who will soon sever her connection with the hospital and go forth to serve her country in the capacity of a nurse.

At eight o'clock Miss Rutherford was asked to

Forget her worry,  
Forget her care,  
And take a walk out in the air.

She was then escorted on her journey by Miss Peterman. As they descended the steps of the hospital, a scene never to be forgotten by Miss Rutherford met her eyes.

In the rear of the grounds was a blazing bonfire, around which were seated her nurses, to whom Miss Rutherford, through her efficiency as superintendent, and through her patience and kindness, has become endeared to the hearts of each and every one of them.

As Miss Rutherford and her escort approached the scene, the nurses began singing "Keep the Home Fires Burning," and "Hail, Hail, the Gang's All Here."

After the guest had been escorted to her seat, a short program was enjoyed.

The program consisted of stunts cleverly pulled off by the nurses. One of the most clever stunts of the evening was a parody on "Over There," which created much merriment.

After the program, Miss Peterman, in a few well-chosen words, spoke in behalf of the nurses, of their appreciation of Miss Rutherford's many kindnesses to them, and of her ever untiring service. The guest was presented with a fountain pen, on which was inscribed her initials. The nurses and guest then gathered around the bonfire and roasted wienies and sang songs. Buns, pickles, punch, cake and toasted marshmallows were also served.

As the fire was slowly dying, the company sang "The Star Spangled Banner." Thus the evening closed, each one declaring she had spent an evening long to be remembered.

Those present were the guest of honor, Miss Rutherford, Miss McCulloch of Long Beach, Mrs. Lloyd Greenman, Misses Peterman, Gilbert, Morse, Staumbaugh, Sherwood, Earhart, Foot, Finner, Mansur, Stutheit, Webber, Smith and Hoy.

## Day Nursery Birthday

Little Pauline Lipps reached her fourth milestone on Saturday and the event was happily celebrated at the Day Nursery. The cake was decorated with red, white and blue, red and white roses and blue moon flowers adorning the table.

In the afternoon the children enjoyed various games dear to childish hearts.

## Minnesota Picnic

The semi-annual Minnesota picnic will be held at Orange County Park May 1. Picnic dinner at noon. All cordially invited.

## To Do War Work

The Belle Rogers W. C. T. U. will meet at the home of Mrs. Fannie Lash tomorrow at 1 p. m. to do war service work. Everybody come.

## W. C. T. U. Meeting

The Santa Ana W. C. T. U. will meet tomorrow afternoon at the home of Mrs. W. B. Tedford, 1319 North Broadway. This is a war service meeting and a cordial invitation is extended to all interested in war service work.

## PERSONAL MENTION

Wesley Jayne, Alonzo Lopez and Adrian Tallman went up beyond the tin mines in Trabuco canyon today to spend their week's vacation camping out.

Word from Mrs. Carl Garnett, who is in a hospital at Pasadena, states that she is convalescent after an operation. She will return to the La Vina sanitarium in Pasadena as soon as she is able.

Mr. and Mrs. John Murphy and little son of Pasadena were week-end guests of their relatives here.

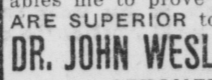

Miss Helen Young is spending a few days at Long Beach with her aunt and uncle, Mr. and Mrs. Henry Callahan.

Mr. and Mrs. J. P. Baumgartner will leave tomorrow via the S. P. and Rock Island for Columbia, Mo., expecting to stay about two months. They go to superintend the planting of 75 to 100 acres of corn and the harvesting of about 50 acres of wheat, on their Missouri farm.

Mrs. W. L. Grubb was a morning P. E. passenger to Los Angeles.

Mrs. J. J. Henry spent today in the Angel City.

Miss Isabel Lopez went to Los Angeles yesterday to spend the week

Are you  
all played out after  
washday?

Does lifting the wash boiler tire you? Does boiling water hurt your hands? Will hours of hard rubbing exhaust you?

Take the tire out of washday. Wash with Fels-Naptha soap. It cleans the garments while you do something else. No boiling or hard rubbing is necessary.

Wash the Fels-Naptha way. It's a real saving in these days when savings are so important.

Remember the red and green wrapper.

Mrs. Frank Trickey and little daughter, Phyllis, went to Los Angeles this morning. Little Miss Phyllis will remain for a week with Mrs. John Watters.

Mrs. N. Beisel made a trip to Los Angeles today.

Miss Elsie Williams was among Santa Anans to go to Los Angeles today.

Rev. A. F. Roadhouse went to Pasadena today and will bring his little daughter home with him for a few days' visit.

Mr. and Mrs. W. S. Rose and Mrs. Tom Lacy and little son Tom, and Mr. and Mrs. T. A. Gipcomb and daughter Maxine made up a party which went to Hemet yesterday to see the earthquake ruins. They returned via Turnbull Canyon.

The address of E. M. Dean, who recently left the Santa Ana police force to go into the aviation service, is: Flying Cadet F. M. Dean, Squadron No. 49, Aviation Barracks, Berkeley, Cal.

Mr. and Mrs. C. T. Cleland and daughter, Clarice, of Barstow, were week-end guests of Mrs. Cleland's sister, Mrs. Woodrow Stewart, of West Highland street. They are spending a vacation here.

## YOUTHS TOO FLEET OF FOOT FOR OFFICERS

Officers Carter and Ryan found themselves handicapped at 1 o'clock Sunday morning by lack of speed in handling their pedal extremities in a chase after a couple of boys on East First street who were alleged to have been insulting girls in that neighborhood at that unseasonable hour.

A call came into the police station that two boys were making themselves obnoxious to girls and Ryan and Carter responded. They reached the point in time to see the lads, but the youths were fleet of foot and made their getaway.

## AFTER WAR BETTER TIMES THAN EVER

"After these war conditions settle, we will have better times than ever before."

This is the word that comes from C. B. Buxton, of this city, who is in Chicago on business. He predicts a big rush to California when conditions get down to normal again.

In a letter to Secretary Metzgar of the Chamber of Commerce, he says: "I meet people every day who have been to California and who say they are going again. Some here have been in Santa Ana, others have heard of such a place and others are hearing of it."

## NEW COP WILL MOVE FAMILY TO THIS CITY

Seal Beach Post: C. L. Neuschwanger, who has made this city his home for the past ten years, and who has been chief of police here for over two years, accepted a position on the night force at Santa Ana and began his duties in that city Wednesday night. The authorities at the county seat city notified him Monday that he had been given the vacancy on the force and to come to work as soon as possible.

Neuschwanger was a good conscientious worker and treated the public in a manner that gained him the respect of all. He has always been a booster and to lose him will be a loss to all. He says that he is going to move to Santa Ana as soon as possible, that he is making his living there and he wants to be one of the boys.

## THrift STAMP WORKERS MEET TOMORROW NIGHT

Responses being received by County Chairman John A. McFadden indicate that 175 or 200 will be in attendance at the meeting of Thrift Stamp workers to be held tomorrow evening at 7:30 o'clock in the banquet room at Odd Fellows' hall. Postmasters of the county, employees of the offices, city chairmen and other workers have been invited, including precinct chairmen engaged in this city in the recent Thrift Stamp drive.

Three very prominent speakers of Southern California activities will be here to address the meeting and outline plans developing for stimulating the sale of the government securities.

At the Red Cross Auction, the cake given by the Bon Ton brought \$5.

Miss Rosa Boyd held the lucky number. Very patriotically, Miss Boyd turned it back to be resold. This time it brought \$4.80, the lucky winner being Mrs. Alice Harris, in whose possession the cake remained.

We are still looking for the one who held No. 13 that won the knitting bag. Was the number your lucky one, or so unlucky you did not present it?

Children's shoes are asked for continually. Shoes that little worn are greatly appreciated. Those badly worn can be used by some one no doubt.

Thank you! Mrs. Darwin Tate donated flat silver for use in the Shop. Mrs. Mattern for the many elegant bunches of sweet peas she has brought to the Shop. Several others, too, have been generous with their lovely blossoms.

Mrs. First very generously donated a round table; Mr. Henry Seidel, meat for Thursday's lunch.

Women of Santa Ana, wake up! Have we so few really patriotic women in Santa Ana in proportion to our population, in proportion to the number who registered for Red Cross work?

Thousands of our American boys are crossing to the scene of battle; casualty lists are lengthening; hospitals are filling rapidly and the Red Cross is clamoring and begging for more workers, more hospital garments, more surgical dressings. Meanwhile many women sit complacently at home.

The comparatively few faithful, patriotic women always on hand in our work rooms have their home duties to perform, most of them have large homes and no maids, but still manage to give many hours and much energy to their country's call.

Why can't we all realize the great responsibility resting upon us? Of all things, let us give full credit to those who are doing their very best in genuine work.

More sewers are needed and BADLY NEEDED, Mondays and Fridays at the North Side sewing rooms. Isn't this YOUR opportunity to do the work you meant to do?

The past week 241 pairs of socks were turned in. Keep the home "needles knitting."

Thanks to Boy Scouts The Red Cross extends thanks to the Boy Scouts for money turned in from selling newspapers on Saturday evening. Troop No. 7 turned in 18 cents and Troop No. 2, \$6.61.

## GIANTS START HARD SERIES OF GAMES

National League Champs Will Be Put to Test During This Week

By H. C. HAMILTON  
(United Press Staff Correspondent)  
NEW YORK, April 29.—Today should turn out the real lowdown on the Giants. The series starting this afternoon in Philadelphia will be the hardest test to which the National league champions have been exposed. If they can weather the storm that will shower them in the next few days, hopeful ones will have to pull hard, for their early spring sprint looks doubtful, to say the least—for the rest of the league.

There is but one bright rift in the cloud enveloping the champions, and it is that the champions haven't been yet called to meet a club figured to run strong. Their opponents have been the Braves and the Dodgers, two clubs ripped to pieces during the winter. The Phillies have recovered finally from their mid-winter afflictions. Erskine Mayer, Bradley Hogg, Joe Oeschler and the other flingers have made Philly fans wonder if Alexander's loss hurt so much after all. In addition to this, Pat Moran has gained strength on the infield and outfield, by the acquisition of Muesel and McGaffigan, the latter to supplant Bert Niehoff at second base, and the former to take the place of Dode Paskert.

Early spring dope makes Pat Moran's club the dark horse in the National league. If John McGraw can pass this obstacle he will be well set for a challenge to the western clubs. If he fails to pass in good form, the race will narrow down to a hard battle.

## MASSACHUSETTS MEN AWARDED WAR CROSS OF FRANCE

French General Lauds Audacity and Sacrifice of Americans

BY FRANK J. TAYLOR  
(United Press Staff Correspondent)  
WITH THE AMERICAN ARMY IN LORRAINE, April 29.—The 104th Regiment and 122 Massachusetts men received the Croix de Guerre yesterday afternoon on a hillside a few miles from the trenches for bravery and valor in repelling the German attack on Apremont wood (Toul sector) during the three days beginning April 10.

This was the first American regiment to receive the French war cross. All the traditions of Bunker Hill, Lexington and Concord were upheld by these modern "minute men."

It was an inspiring sight as this entire regiment, during the ceremony, formed three sides of a square, leaving vacant spaces for their fallen comrades.

The regimental band played "The Star Spangled Banner" and the "Marseillaise." The crosses were pinned on the men by French and American general officers, who shook the hand of each recipient. The entire regiment then marched by the hill crest, with the band playing and Old Glory waving.

"It's the best flag in the world, boy!" exclaimed a young lieutenant. "It was a dull day in the trenches, so far as infantry actions were concerned, but the dull boom of American and German guns furnished a fitting obligato for the impressive ceremony."

The French general, while pinning crosses on the men's tunics, spoke to each of them.

"Smile, its nothing against you," he told one doughboy. The man was so excited he blushed.

Rev. J. B. Des Valles, of Worcester, a chaplain, was among those decorated. He carried some wounded men back under shell fire. The citation read:

"This regiment showed during the battles of March 10, 12 and 13, the greatest audacity and a fine spirit of sacrifice."

"Subjected to very violent bombardments and attacked by very important German forces, it succeeded in checking dangerous advance and retook positions at the point of the bayonet with vigorous energy, taking prisoners and a few demolished trenches from which it had fallen back in the first assault."

## TURKEY OFFERS PEACE AGAIN TO RUSSIANS

Teutons Want Turkish Troops For Use on Other Fronts

BY JOSEPH SHAPLEN  
(United Press Staff Correspondent)  
PETROGRAD, April 29.—(Delayed.)—Despite the Caucasian declaration of war, Turkey has again offered to begin peace negotiations with the Russian government, proposing that they be conducted in Trebizond.

This action can be explained as resulting from a hint from Germany—which needs all the Turkish troops it can obtain.

This dispatch—the first received from Shaplen since early in the month—shows the unusual delay in cable news from Russia.

## STING RAY BITE, CANOE SPILL IN BAY FOR SHIPLEY

First a stingray bite on his foot, and later a frantic struggle to save himself, his wife and daughter from drowning was the experience of M. R. Shipley Sunday at Balboa, where he and his family went to spend the day with Mrs. A. L. Booth. While in the breakers during the morning, Mr. Shipley received the stingray's caress, which caused him great pain during the day. In the afternoon, feeling better, he boarded Mrs. Booth's canoe for a sail in the bay, first going alone, then taking Mrs. Booth with him, and later his wife and daughter, Dorothy.

During the ride of Mr. and Mrs. Shipley and daughter, the canoe began rocking in the swells from a passing launch, and in a twinkling was overturned. Although incumbered with all their clothing, the three passengers managed to keep afloat. Mr. Shipley assisted his wife and daughter, who are not expert swimmers. They struggled for a few minutes, get-

ting nearer and nearer the pavilion, when several boats put out and took them aboard and to safety. Mrs. Shipley and Miss Shipley were unconscious for a short time after, and although slightly suffering today from the shock, they anticipate no permanent ill effects of their impromptu dip into the bay.

## CHAUTAUQUA OPENS WITH FINE MUSICAL PROGRAM: LANDRITH TO BE THE SPEAKER TONIGHT

### SONGS AND STORIES FOUND IN TRENCHES BE TOLD BY THOSE INJURED IN BATTLE

John B. Ratto's Impersonations Include An Appeal For War Work

Santa Ana's 1918 Chautauqua has opened. Each afternoon and evening of this week, including Saturday night, the Chautauqua will continue at the tent erected at the corner of Third and Bush streets.

The program is full of war spirit, war interpretation, war music, war stories, but throughout all of it, it is the strong current of entertainment, the relief from serious thought that all national leaders urge as a necessity even in the trenches.

Tonight one of the big men of the country is to be the speaker at the Chautauqua. He is Dr. Ira D. Landrith.

Chautauqua Opens Yesterday afternoon at 2:45 o'clock prayer by Rev. Kennedy opened the Chautauqua. A. B. Gardner, chairman of the guarantors, introduced Superintendent King, who is in charge of the affairs of the Chautauqua here.

The afternoon's program was given by the Ladies' Regimental Orchestra. Patriotic music and songs suitable to a Sunday program were given by the young women, who proved to be exceptionally clever and talented. In every face was the beam of keen intelligence, the brightness and freshness of good health and good spirits. The music was of high order. A violin solo by Miss Ione Senn, a cornet solo by Miss Bernice Baughman, a reading by Miss Lucile Kemp, who also handles the drums with extreme skill, were rendered with great success.

Evening's Program The program last night was a very pleasing one, the Ladies' Regimental Orchestra and John B. Ratto being the attractions. The young women, handsome and happy, with military capes and caps, opened with some stirring patriotic numbers and followed up between the impersonations of Ratto with classic and popular music, including a delightful medley, violin and vocal solos and ensemble numbers.

Ratto is a true artist in the way of makeup and has a fine speaking voice, although somewhat hoarse last night. Among some of his numbers was an impressive court scene, the preacher at a football game and impersonations of various kings and great men together with memorable sayings.

Ratto concluded with an impassioned appeal for upholding the various war activities of the day and said if the people do not buy Liberty bonds, they will be compelled to pay huge taxes, so if people are not actuated by patriotic love of country, they should be for business reasons.

## TO THE CHAUTAUQUA THESE ARE COMING TONIGHT, TOMORROW

The following is a resume of the attractions at the Chautauqua tonight and tomorrow:

Dr. Ira D. Landrith, who speaks tonight, is one of the big men of the country. He is one of America's greatest orators. He has been a successful college president. For twenty-one years he was chairman of the Young Men's Christian Association in Tennessee. He is editor at large of the Christian Endeavor World. He is prominent in the national political field.

He speaks with force and vigor, relieving a tense burst with a smile and finishing a flaying or eruption with a laugh. He rushes the trenches with shrapnel and machine guns and some gas. And he is always for America—a clean, true America standing for liberty and righteousness, freedom and justice.

Tuesday Afternoon Major Marr Entertainers are skilled and experienced in entertaining as well as possessing a war record.

With all their hard work, their troubles, and their constant strain, the soldiers laugh and sing and joke through it all—for otherwise they could never endure the nerve racking tension.

This program gives us a good idea of the songs and stories which are popular among the soldiers "over there." These men are Canadians

MAJOR MARR, Singer, Who Comes to Chautauqua.

with an excellent reputation as entertainers.

Lieutenant Lougher

Direct from the battlefields of France, Lieutenant E. H. Lougher, who speaks Tuesday afternoon, comes to address Chautauqua audiences. His trip to Europe was made as a member of the American Red Cross Commission.

Famines, war, prisons, slums and bloody conflicts have been linked closely and frequently with the life of this world-wide traveler.

He saw the conditions in France and England as they exist right now. He saw the Boxer uprising and wit-

nessed the bloody conflict of that history-making epoch. During the Russo-Japanese war he was present to see a momentous struggle where blood was spilled in relentless confusion.

Through America he has visited stockades, slums and almshouses. He was chaplain of the Michigan state prison, member of the National Prison Association of the United States, and Michigan investigator of prisons in the United States. His lecture, "The Shackles of the World," reveals the dark corners of the prisons, in interesting manner, and shows the dawn of a better day.

Tuesday Evening Laughter and astonishment are mingled in the great program of magic and mystery given by Edward Reno and daughter Mildred.

Reno is the acknowledged King of Magic. He presents the latest and most pleasing effects ever witnessed.

Abundant experience, matchless skill, a pleasing personality and magnificent paraphernalia enable him to present marvelous illusions and surprises that will hold the audience spellbound.

Through the program Reno is continually amusing and entertaining his audience with a running fire of remarks. The mysteries follow one another in rapid succession and his brilliant program together with the prelude by Major Marr's Entertainers, make this an evening long to be remembered.

### BROTHERS MEET FOR FIRST TIME IN 27 YEARS

FULLERTON, April 29.—E. H. Lapier of 132 West Whiting avenue was most agreeably surprised when his brother, Lafayette Lapier of Wyoming, whom he had not seen or heard of for twenty-seven years, dropped in on him.

Lafayette Lapier has been a contractor, building roads and bridges in Wyoming, and has been too busy to pay any attention to brothers or sisters until he closed out his business a short time ago. It was then that he early widowhood and of the brothers and early amnhood and of the brothers and sisters he left behind in Eastern Kansas.

After a few days in Southern California, Mr. Lapier will go on to Seattle, where a sister is living, and along in May it is planned to hold a family reunion in that city.

### WAR VETERAN TALKS AT WESTMINSTER

WESTMINSTER, April 26.—A good-sized audience greeted Sergeant Rayner at the schoolhouse Friday night. He gave an intensely interesting address including the description of a battle. Those who profess to believe the Germans would not commit the atrocities attributed to them should have been present, as they have something still to learn from those who have been at the front and know.

## SQUIRRELS DESTROY \$30,000,000 WORTH FOOD PRODUCTS ANNUALLY

### PRIZES OFFERED FOR KILLING RODENTS

This Is Ground Squirrel Week Featuring Special Efforts In Extermination

**METHODS OF CONTROL**  
 Trapping—No. 0 Newhouse; guillotine trap, large size; self-setting traps.  
 Shooting—Air rifles; 22 rifles.  
 Drowning—Flooding, with aid of dog.

Poisons—Baits and strychnin on fruit, vegetables and melons, in dry season; Poisoned grain; Poisonous gases or suffocating gases.

After all, we need the combined effort of everyone to reduce the enormous damage done by squirrels.

A squirrel in time saves killing nine.

Thirty million dollars worth of food products that should go to the soldiers go into the stomachs of squirrels in this state every year, according to government estimates, and to eliminate this waste and exterminate the cause, a campaign for the extermination of the squirrel has been inaugurated.

This is squirrel week—April 29th to May 4—and special efforts in all parts of the United States are urged. Governor Stephens has issued a proclamation proclaiming the week on in which concerted effort should be made to put the destructive rodents out of commission in this state. Prizes have been offered to school children. The reward to the grammar school whose pupils kill the most squirrels being \$30 for the next largest number and \$20 for the third largest. Prizes in the same amounts are available to the high schools.

In Orange county there are few districts in which squirrels abound in unlimited numbers and for this reason there has been no particular organization of the school children. The prizes are for this week only.

"Conditions in this county are such

### PROCLAMATION

EXECUTIVE DEPARTMENT  
 STATE OF CALIFORNIA

The State Commissioner of Horticulture has instituted a campaign to destroy the ground squirrel throughout the state. It is said that these rodents do an annual damage to the amount of \$30,000,000, a great part of this damage consisting in the destruction of foodstuffs, and in these times special efforts should be made to prevent such loss.

In connection with the campaign the State Commissioner of Horticulture has personally offered prizes to those schools of all classes which make the best record in killing squirrels. I heartily endorse the plan, and I hope that the efforts of those in charge of the campaign will be crowned with success, and in connection therewith I do hereby set aside the week of April 29th to May 4th as Ground Squirrel Week, and trust that during that time the school children and all other persons will do their utmost to relieve the country of the ground squirrel pest.

WILLIAM D. STEPHENS,  
 Governor.

\*\*\*\*\*

There is little or no inducement to the school children to attempt to compete for the prizes," said County Horticultural Commissioner Morris this morning. "A campaign of extermination has been in progress here almost constantly and has reduced the squirrels to such a degree that school children would have little chance to win prizes over those of San Joaquin county and other counties of the North."

**Poison Formula**  
 Commissioner Morris has a large quantity of poisoned wheat on hand which can be had at cost by those wishing it.

The following directions for preparing poison for squirrels is given by the U. S. biological survey:

In a clean vessel mix thoroughly 1 ounce of powdered strychnin (alkaloid), 1 ounce of common baking soda, and 1-10 ounce of saccharin. Crush all lumps of the soda with mixing spoon. To this add 1/4 pint of heavy corn sirup and stir thoroughly to a smooth, creamy paste free from lumps. Over this pour 3/4 pint of thin hot starch paste and stir well.

(The starch paste is made by dissolving 1 heaping tablespoonful of dry gloss starch in a little cold water which is then added to 3/4 pint of boiling water.) Boil and stir constantly until a clear paste is formed.) Add the tablespoonful of glycerin and stir thoroughly, making sure that none of the heavy sirup paste still sticks to the bottom of the container. Pour this mixture over 16 quarts of good cleaned barley and mix well so that each grain is coated.

For mixing small quantities an ordinary galvanized wash tub is convenient. For larger quantities, a tight, smooth box may be used, and the mixing may be done with a spade.

Each quart of the poisoned grain is sufficient for 40 to 50 baits. This quantity SCATTERED along squirrel trails, or on clean, hard places on the surface about the holes, will not endanger stock.

N. B.—Strychnin in any form other than the powdered strychnin alkaloid is not effective in the above formula.

**Caution**

All poison containers and all uncleaned utensils used in the preparation of poisons should be kept PLAINLY LABELED and OUT OF REACH of irresponsible persons and live stock, and children should be cautioned in the use of poisoned barley.

# MAKE STATE WIDE APPEAL TO HELP SAN JACINTO AND HEMET

## Commercial Secretaries Take Steps to Raise Funds For Rebuilding Cities

The Commercial Secretaries of Southern California, at the meeting held in Riverside Saturday, decided to make a state-wide appeal for assistance for San Jacinto and Hemet. The secretaries visited the two cities and made investigations which convinced them that assistance should be given.

Secretary Metzgar of the Chamber of Commerce was in attendance and will recommend to the board of directors that subscriptions be received by the organization. In some cities organized soliciting will be done, but that will not be attempted here.

"We found the city practically wrecked," said Metzgar today. "There are men in business there who lost everything they had and the purpose of raising the fund is to re-establish these men in business so that they will be self-supporting. We hope to place them on the footing they were on before the quake wrecked them. As an illustration: One man in business had a \$4000 mortgage on his building and his stock was heavily mortgaged. The walls caved in and ruined his entire stock. With the fund created by popular subscription, that man will be assisted to the point of putting him where he was before the quake."

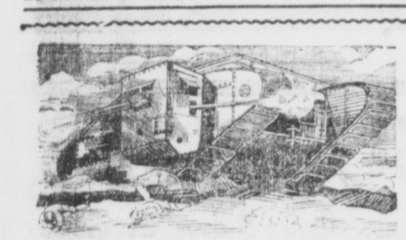

"Those who are financially able to stand the loss will not be assisted. Anyone in this city who wants to subscribe to the fund may leave his subscription with the Chamber of Commerce."

A committee of men outside the damaged cities will be appointed to handle the money, and will place it only after the most thorough investigation of each case.

The secretaries met with the committees of the two cities, after visiting the wrecked business houses and private homes. Hemet, for the first time, reached out its hand for assistance. Not until then did the citizens acknowledge their defeat in efforts to rebuild their city without outside help. Mayor Weston of Hemet attended the meeting and stated that his city needs aid.

"We have tried to carry our own burden," said Mayor Weston. "but it is too great for us. We are like our sister city, San Jacinto, asking for assistance, and we need it badly."

The secretaries believe the state will answer the call for help. San Francisco already has sent \$10,000 to San Jacinto. The total amount of the relief fund to date is \$11,220. Riverside will send at least \$1500 to each of the two cities.

To drive a tank, handle the guns, and sweep over the enemy trenches, takes strong nerves, good rich blood, a good stomach, liver and kidneys. When the time comes, the man with red blood in his veins "is up and at it." He has iron nerves for hardships—an interest in his work grips him. That's the way you feel when you have taken a blood and nerve tonic, made up of Blood root, Golden Seal root, Stone root, Cherry bark, and rolled into a sugar-coated tablet and sold in sixty cent vials by almost all druggists for past fifty years as Dr. Pierce's Golden Medical Discovery. This tonic, in liquid or tablet form, is just what you need this spring to give you vim, vigor and vitality. At the fall end of a hard winter, no wonder you feel "run-down," blue, out of sorts. Try this "Medical Discovery" of Dr. Pierce's. Don't wait! To-day is the day to begin! A little "pep," and you laugh and live.

The best means to oil the machinery of the body, put tone into the liver, kidneys and circulatory system, is to first practice a good house-cleaning. I know of nothing better as a laxative than a vegetable pill made up of May-apple, leaves of aloe and jalap. This is commonly sold by all druggists as Dr. Pierce's Pleasant Pellets, and should be taken at least once a week to clear the twenty-five feet of intestines. You will thus clear the system—expel the poisons and keep well. Now is the time to clean house. Give yourself a spring house cleaning.

## FUNERAL SERVICES FOR J. T. TALBERT HELD WEDNESDAY

### Late James Talbert Was One of Pioneer Residents of Talbert Community

TALBERT, April 26.—The funeral of James Talbert, father of S. E. Talbert and formerly a resident for six years of Talbert, was held on Wednesday afternoon at Long Beach. The service was in charge of the G. A. R., of which Mr. Talbert was a member, assisted by the W. R. C.

"Face to Face" and "Safe in the Arms of Jesus" were sung as duets. "Nearer My God to Thee" was rendered by the members of the G. A. R., and "Rock of Ages" by the women of the Relief Corps.

The interment was made at the Huntington Beach cemetery, the funeral service being read by Rev. J. Alvah Andrews, pastor of the local M. E. church, South, followed by prayer. A number of friends of the family from here attended the services at Long Beach and many more attended the service at the cemetery. The casket was opened at the grave to give the latter an opportunity of viewing the remains.

The floral tributes were many and beautiful and were greatly appreciated by the family. A magnificent wreath of carnations and fern was presented by the Japanese association of this place, many members of which were in attendance at the burial service.

Mr. and Mrs. S. E. Talbert motored to Anaheim Sunday afternoon, where they visited relatives, then on to Long Beach to the home of Mr. Talbert's parents.

They expected to remain for the evening only but about 7 o'clock Mr. Talbert's father grew decidedly worse and this lasted until about 10 o'clock, when he gained some relief. It could be seen, however, that his condition was very serious and he was rapidly weakening so Mr. and Mrs. Talbert decided to remain for the night. At 2 o'clock Monday morning the end came, following an eight weeks' confinement since the accident in which a hip was broken and internal injuries received.

Mr. Talbert was the only one of the children present at his father's bedside when death came. Mrs. Irwin and Supervisor T. B. Talbert of Huntington Beach, the only other members of the family within reaching distance, having returned home Sunday evening after having spent the day with him and before it was realized that the end was so near.

Mrs. Talbert will remain in Long Beach, making her home in a smaller cottage owned by her and adjoining the one which she now occupies.

## DOINGS ABOUT TALBERT GIVEN IN BRIEF FORM

### Many Talbert Residents Have Taken Occasion to View Destruction at San Jacinto

TALBERT, April 26.—Mr. and Mrs. Will Carter, the latter a sister of Mrs. S. E. Talbert, were entertained Saturday night at the Talbert home. Rev. and Mrs. J. Alvah Andrews, little son Alvah Stirling, and Rev. Andrews' sister, Miss Anna, went to Long Beach Sunday evening, remaining several days.

Miss Isabelle Chandler went to Los Angeles Saturday, returning on Tuesday when she was accompanied by her mother, Mrs. Alice Chandler and aunt, Mrs. Will Shaw, who are here for a while as guests of their mother, Mrs. Page.

A. F. Swift installed a 6000-pound capacity McDonald scales at his home ranch the past week.

Mr. and Mrs. Arnold Walker and children, accompanied by Mr. and Mrs. D. W. Irwin of Greenville, motored Sunday to Inglewood where they passed the greater part of the day. They returned by way of Long Beach boulevard and stopped for a short time at Dominguez, where Mrs. Walker's brother, Ray Heacock, lives. When the quake came he was fixing his caterpillar and a little Mexican boy was lying under it looking on. He said it was laughable to see the boy scoot to a place of safety. He thought some one had started the engine and it was about to run over him.

Mr. and Mrs. Charles Ward spent Sunday in Los Angeles as guests of Mr. and Mrs. O. H. Benning.

Mr. and Mrs. Carl Lamb, Mr. and Mrs. Gregg Harper and family and Miss Grace Bradley motored to San Juan Hot Springs for the day Sunday.

Misses Grace Malan and Edith Plavan spent Sunday at Long Beach.

Mr. and Mrs. Robert Giesler and family, Mr. and Mrs. Robert Harper of Talbert, Mr. and Mrs. Samuel Giesler of near Huntington Beach, and Mr. and Mrs. Krockenberg of Norwalk picked Sunday at the Orange County Park.

A large crowd of Talbert people attended the Santa Ana auto show on Monday evening.

A. F. Swift and family attended the funeral of his uncle, J. N. Martin, in Santa Ana, Saturday of last week. Mr. Martin was a member of the G. A. R. and passed away at the Soldiers' Home.

The L. T. Wells family have been staying at their ranch, formerly the Ater ranch, the past week, while Mr. Wells is attending to some work there.

Mr. and Mrs. Leo Borchard with the former's brothers, Messrs. Frank of Huntington Beach, Charles of Fairview and Antoine of Greenville and their families drove through to Conejo Friday, where they visited relatives and friends until Monday when

## TALBERT RESIDENTS VISIT QUAKE ZONE

Mr. and Mrs. Charles Ward Tell of Experiences at San Jacinto and Hemet

TALBERT, April 26.—Mr. and Mrs. Chas. Ward motored to San Jacinto and Hemet Tuesday to view the havoc wrought by Sunday's earthquake.

Two quakes came just before their arrival at San Jacinto and these they were told made the thirty-fifth tremor since the heavy shock. About a mile out of town they first began to see the effects—pillars knocked down, under porches, chimneys down, parts of houses caved in. At both towns the scene was a busy one as the wreckage was being cleared away as rapidly as possible. At the location of one large store, which had been entirely leveled, forty men were clearing away the debris and rescuing all the furnishings from under it that had not been ruined.

The upper floor of one store building had been occupied as a residence and hanging over one corner of the partly demolished building and partially supported by a portion of the roof was a piano which some parties were attempting to take down without dropping.

One concrete bank looked to be in fairly good shape on the exterior, but the interior presented a different view, almost all the furnishings and plastering having been demolished.

As the towns were under martial law, only a part could be seen by visitors who thronged the vicinity by the thousands, the boulevards being crowded. Mr. and Mrs. Ward went by way of Carbon canyon road and returned by way of Pomona and found the traffic extremely heavy on both routes.

Mrs. Ward was agreeably surprised to meet an uncle whom she had not seen for fifteen years and whom she had lost trace of, at San Jacinto. He had driven over from Long Beach, where he now resides, to see the ruins.

## PIPE LINE IN SCHOOL YARD FOR IRRIGATING

TALBERT, April 26.—A pipe line was laid in the Talbert school yard last week for irrigation purposes. This improvement was badly needed in the care of the thirty-five ornamental trees of different varieties which were lately planted and which are growing nicely. The Junior Red Cross potato patch, which is doing fine, will also benefit by this convenience.

## JUNIOR RED CROSS SOCIAL FRIDAY NIGHT

TALBERT, April 26.—The Junior Red Cross social will be held Friday evening of this week as per schedule and everyone is urged to be present and assist in this good cause. Beside the auctioning off of the baskets and the sale of ice cream and cake, a pig will be auctioned off, the proceeds of which will go for the same cause. The affair will be held at the Japanese hall and a program has been prepared for the evening.

Look for George's red, white and blue tent at Sells-Photo circus on Monday. That's where you'll get the big eats and drinks. There'll be soda water and ice cold orangeade and lemonade at 5c per glass. There'll be big Coney Island and Hamburger sandwiches, cold tongue sandwiches; all sandwiches 10c. Real Mexican chili, pie at 5c per cut and coffee like mother makes, 5c. Look for George's.

# Beet Prices Pre-War and Present

The average test of all beets delivered to our factory since we began business in 1912 is 19 per cent.

Heretofore the contract price for beets testing 19 per cent was \$5.70 per ton.

In our 1918 contract we guarantee for 19 per cent beets a minimum price of \$9.50 per ton, with further possible increases based on the price of sugar.

## The Guaranteed Minimum Increase over the pre-war contract price for beets testing as above is \$3.80 Per Ton or 66 2/3 Per Cent

On this basis the returns per acre would be \$38.00 greater than the pre-war contract returns on a 10-ton crop, \$57.00 greater on a 15-ton crop, and \$76.00 greater on a 20-ton crop.

We believe there is no other staple crop which the grower can contract in advance at a high minimum price, practically guaranteeing a good profit, which, at the same time, permits him to share in any higher prices that might prevail later for the product made from his crop. This is an unusually strong factor of safety.

## MEXICAN BOYS BREAK WINDOWS IN HOME AT WESTMINSTER

WESTMINSTER, April 26.—Sunday afternoon J. J. Stoves received a telephone message telling him that Mexican boys were breaking the windows of his house in town, formerly the Smithing place. He went directly to the place, taking with him J. F. Patterson and Henry Rutter. When they arrived the boys were inside of the house.

The men surrounded the house and caught them when they came out and proceeded with them to the home of their parents, who agreed to pay the damages done to the windows.

If any further damage is done to the house they will know whom to suspect. The windows of the S. P. engine house have also been broken out and the batteries and connections stolen. Steps should be taken to put a stop to these depredations.
